PROFESSIONAL SUMMARY

Administrative Assistant with 3 years of experience supporting private clients in administrative and office operations through hybrid work arrangements. Experienced in data entry, document preparation, records management, email and calendar management, and maintaining organized digital filing systems. Reliable, detail-oriented, and committed to providing accurate and efficient administrative support in remote work environments.

EXPERIENCE

Data Entry Assistant (Part-time)

Private Client (Corporate Professional)

February 2023 - January 2024

- Entered, verified, and updated data in spreadsheets while maintaining accuracy and consistency.
- Organized digital records and documents for efficient storage and retrieval.

Personal Administrative Assistant

Private Client (Education & Business)

April 2024 - May 2026 | Hybrid

- Managed data entry, data verification, and record updates for administrative and business documents, ensuring accurate and up-to-date information.
- Prepared and formatted reports, correspondence, memorandums, forms, and other administrative documents for educational and business-related activities.
- Maintained and organized digital and physical filing systems to support efficient records management and document retrieval.
- Managed email correspondence, document organization, and administrative records while maintaining confidentiality.
- Coordinated calendars, appointments, task schedules, and deadlines to ensure smooth daily operations.
- Created posters, certificates, presentations, and other visual materials using Canva for educational and business-related requirements.
- Utilized Microsoft Office, Google Workspace, Canva, and ChatGPT to support document preparation, communication, and administrative workflows.
